

AND not only that—think of the wonderful educational value of the

Victrola

to children and grown-ups alike. Scarcely one person out of one thousand who have heard Caruso or Melba, Sousa's or Herbert's bands, have ever really SEEN them. It's the VICTOR that has given them a world of pleasure and musical education.

Our cozy Victor Rooms offer you a convenient and comfortable place to examine and hear Victor-Victrolas and to try over Victor Records, undisturbed by other instruments. And then—we've got every Victor Record you want, and every one a new, fresh, unused record.
